## Derek Dog Day Out for dog-tired professionals and their pampered pooches

### **A HOWL-A-WEEN SPOOKTACULAR!**

This Howl-a-ween, plan on a spirited night out with your dog.

Join Madison, winner of this year's Project Derek Dog and co-chairs Sondra Pulford (Madison's owner) and Hershey Grace of Citizens for Animal Protection (CAP) on October 28 for a frightfully fun networking mixer.

We promise a decidedly delightful dog-day evening with cocktails, networking, doggie trick-or-treating, door prizes and a costume contest for you and your four-legged friend. Mix and mingle with other pet-friendly professionals. Leash-trained pets are welcome. Proceeds from the event will help support the work of Citizens for Animal Protection (CAP).

#### **EVENT DETAILS:**
